

JVS-FRT-T5

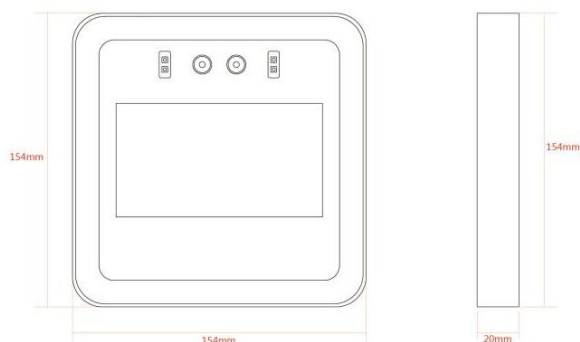

Touchless Time Attendance Device

Key Features

- Face Anti-spoofing, Live Detection;
- Face Recognition time < 1 Second;
- Can Detect 5 People At The Same Time
- Support Access Control Function
- Night Infrared, RGB LED Light
- 5 Inch Touch Screen

Dimension

Specification	
Model	JVS-FRT-T5
Hardware Specifications	
Hardware Platform	High-performance SOC chip
Flash	8 GB
Camera	4.3mm lens,2.0MP resolution
Operating System	
Operation System	Linux
Recognition Function	
Identification Method	Face Recognition
Verification Speed	< 1 Second
Face Database	5000 Faces
Recognition Distance	0.3~2m
Recognition Accuracy	≥99.7%
Interface	
Internet	TCP/IP: 10/100 Mbps, RJ45 Port
Wi-Fi	Support
USB	Support(Micro USB×1)
Alarm Input/Output	Support
RS485	Support
Wiegand Output	Support (WG26/34) configurable
Audio Output	Built-in Speaker
General	
Display Screen	5-inch IPS LCD,1280*720
Touch Panel	Support
White Led Light	Support
IR Light	Support
Upgrade Button	Support
Recovery Button	Support
Others	
Power Supply	DC12V 2A
Working Temperature	-20℃~60℃
Working Humidity	10%~90%
Installation	Wall Mounting
Dimension	154×154×20mm
Weights	730g
